

ADYANSH MISHRA

PERSONAL INFORMATION

email lunalgia@pm.me
website <http://www.lunalgia.pages.dev>

EDUCATION

*B.S (Hons.) in
Mathematics and
Physics* 2026-2030
(Expected) Chennai Mathematical Institute

PROGRAMS

PRISM India 2026 Sophomore Student, PRISM India¹
Studied Hyperbolic Geometry and Advanced Number Theory, while working
on a Research Project on Inverted Pascal Triangles.

PROMYS India 2025 First year Student, PROMYS India
Studied Number Theory and Galois Theory, while doing an exploration lab
project on Finite Differences. One of the only 3 first years to study Galois Theory.

PROJECTS

*Beamline For
Schools* March 2025 Beamline For Schools²
Team leader of Physics Olympiad Co-operation, which was among the Top 50
Teams globally during the 2024-25 edition of the competition.

AO Guide 2025 - Now AO Guide³
Writing and designing a guide for Astronomy Olympiads that is fully free and
accessible to everyone, with an IOAA gold medallist.

COMPUTER SKILLS

Basic Haskell, Full Stack Web Development

Intermediate Affinity Suite⁴ HTML, Linux

Advanced Python, L^AT_EX

OTHER INFORMATION

Awards 2025 · Shortlisted, BL4S
2026 · Valedictorian Award, Highschool

Languages ENGLISH · Almost natively fluent, ~ C2.
HINDI · Mother tongue

¹ Programme for Research & Inquiry by Students in Mathematics a derivative of PROMYS India.
² A competition for high school students organised by CERN, that requires a group of student to work together on an experimental proposal in Particle Physics.
³ Available at <https://aoguide.app>
⁴ Alternative to Adobe Photoshop and Illustrator
